FOLKS PAST 40

Should Read This

If you are troubled with a burning sensation, bladder weakness, frequent daily urination, getting up nights, dull pains in back, lower abdomen and down through the groin—you should try the amazing value of Dr. Southworth's "Urethane" at once and see what a wonderful difference it makes. If this grand old formula of a well known physician brings you the swift and satisfying comfort it has brought to dozens of others, you surely will be thankful and very well pleased. If it does not satisfy, the druggist that supplied you with "Urethane" is authorized to return your money on the first box purchased. This move you a full 10 days' test money without risk of cost unless pleased with results. If you would know the joys of peaceful restful sleep and a normal, healthy bladder, start this test today. Any good druggist can supply you.

If Mothers Only Knew

Thousands of Children Suffer from Worms, and Their Mothers Do Not Know What the Trouble Is.

Signs of Worms are: Constipation, deranged stomach, swollen upper lip, offensive breath, hard and full stomach with pains, pale face, eyes heavy, short dry cough, grinding of the teeth, little red points on the tongue, starting during sleep with troublesome dreams, slow fever.

Mrs. H. N. Roberts, 502 Asylum St., Flint, Mich., wrote: "My little girl is relieved of her worms." And in a later letter wrote: "Baby is fine and it was your Dr. True's Elixir that helped her."

WATERFORD

Episcopal Visited Waterford—Grange Observed Mothers' Day.

Work has begun on the foundations of the new Episcopal Church in the Community House. Lockwood returned to Waterford last week.

The storm which destroyed so much of the town at Berlin, N. H., made flying over the water very rough. Mrs. Blanche Tyler and Mrs. June Pike were the delegates from Waterford and went with Rev. A. C. Townsend. Mrs. Thankful Cobb and Mrs. Irene Adams were East Stoneham's delegates and went with Rev. W. I. Bull. Mrs. M. Cheever and Mrs. Carrie Hersey represented the North Waterford Church as delegates while Chester Holt with his wife and mother were also present. Rev. W. I. Bull, who was vice-president of the conference last year was elected president for the coming year.

Last Sunday the Bear Mountain Grange of South Waterford attended Church in a body.

Last Tuesday the Woman's Missionary Society of Waterford met at the parsonage. On the same day there was a mothers' meeting held at East Stoneham.

On Friday evening there will be two young peoples' socials, one at East Stoneham and one at Waterford or South Waterford.

Beginning with the first Sunday in June the schedule of hours of service in the churches will be changed so as to give each church a forenoon service. South Waterford and North Lovell services will be at 9:30 a. m., while North Waterford, East Stoneham and Albany will worship at 11 a. m. The afternoons and evenings will be open for all the parish special services and young people's services.

Home Furnishings Should Be Cleansed Often

Rugs and carpets, window curtains, draperies, have much to do in making the home a pleasant place to live in, and it is surprising how much more wear you can get from these and other household furnishings by having them cleansed regularly.

Rugs and Carpets

Are the first of the furnishings to gather soil. We remove every particle of dust and dirt, refresh every thread and fibre, restore the original bright colors. They will look like new again.

Window Curtains and Draperies

No other process can give such splendid results, the same complete satisfaction. No need to worry. Your finest window hangings will be restored to their original newness by passing through our hands.

Equipment, patience, skill, organization, experience, all these are here to aid you in keeping your home in that pleasing condition that will gladden the guests' critical eyes.

milking herd, it should be removed at least twice a week to prevent fly breeding. Some fly larvae, however, will burrow into the ground, and it is well to treat the manure with fuel-oil distillate, 5 gallons per square foot, to destroy the larvae as well as a repellent. The distillate should be put directly on the manure, as it imparts its soil-improvement value.

She is the daughter of Mr. and Mrs. Fred Green. Mrs. Green teaches in the town school in North Bridgton.

Bridgton Academy has two hard games mapped out for herself, the third day of the season, Thursday.

Mr. Smith took possession, Thursday. The team returned from Massachusetts on Sunday, where they played St. John's Prep, at Danvers, and they will get right down to work again on Monday, under the skillful eye of Coach Johnnie Daker. The team has been going at top speed this past season and has not tasted defeat as yet. The boys making up the squad are the finest material that has ever been at the school and every department of the game appears to be well taken care of.

Next week, on Thursday, the Academy

boys go to Lewiston, where they will face the Bates College second team, and on Saturday they will go to Pittsfield, Me., where they will meet M. C. L. in a return engagement. This game is sure to be one of the toughest in the Conference, and one upon which the Bridgton mentor is putting much stress. Earlier in the season the Bridgton boys easily took the up-state team, having them 7-2 up until the last inning and then the M. C. L. put over four runs, this allowing the local lads a lone score margin. However, the local boys recognize in M. C. L. their hardest opponents for the year as the up-state school boasts of many excellent schoolboy players, they have a strong combination. B. A. is still at the head of the big six Prep-Conference.

Clarence Sampson had a week end visit with his mother, Principal H. H. Sampson, of Bridgton Academy. He is a student at Bates College, Lewiston.

Carl Perry, the little grandson of Mr. and Mrs. Joseph Adams of this village, who was seriously injured in an automobile accident in Portland, is very much better and it is expected that he will be able to leave the hospital in about three more weeks.

A May Day Party was given at Mrs. Charles Barnard's, Mrs. Ida Riggs and Mrs. Roland Woodbury and sister, Miss Eleanor Chute, and the hostess, Mrs. Barnard were present. A very pleasant day was passed.

The town school gave a very interesting entertainment, on May 2nd. Many of the children's prizes were present.

Mrs. Myron Briggs and two children, Melvin and Phyllis of Harrison visited in Pre. School Championship Conference, present standing is as follows:

	Won	Lost	Per Cent
Bridgton	2	0	1000
Hebron	1	1	500
W. C. G. C.	1	1	500
Kent's Hill	1	1	500

Mrs. Charles Hill is moving into her cottage home.

Andrew B. Jordan, who has spent the winter in Norway, has opened his summer home in town.

Mona Green, who is studying piano at the Conservatory of Music, Boston, is at her home in Harrison.

She is the daughter of Mr. and Mrs. Fred Green. Mrs. Green teaches in the town school in North Bridgton.

Bridgton Academy has two hard games mapped out for herself, the third day of the season, Thursday.

Mr. Smith took possession, Thursday. The team returned from Massachusetts on Sunday, where they played St. John's Prep, at Danvers, and they will get right down to work again on Monday, under the skillful eye of Coach Johnnie Daker. The team has been going at top speed this past season and has not tasted defeat as yet. The boys making up the squad are the finest material that has ever been at the school and every department of the game appears to be well taken care of.

Next week, on Thursday, the Academy

boys go to Lewiston, where they will face the Bates College second team, and on Saturday they will go to Pittsfield, Me., where they will meet M. C. L. in a return engagement. This game is sure to be one of the toughest in the Conference, and one upon which the Bridgton mentor is putting much stress. Earlier in the season the Bridgton boys easily took the up-state team, having them 7-2 up until the last inning and then the M. C. L. put over four runs, this allowing the local lads a lone score margin. However, the local boys recognize in M. C. L. their hardest opponents for the year as the up-state school boasts of many excellent schoolboy players, they have a strong combination. B. A. is still at the head of the big six Prep-Conference.

LISTENING IS BELIEVING

Only a demonstration can do justice to the
true silence of the
New KELVINATOR

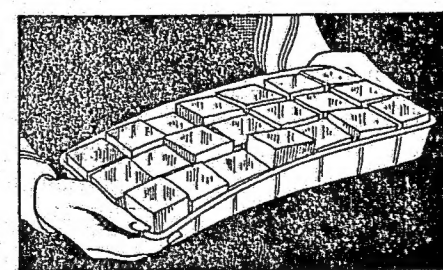

THERE is only one way in which you can
ever learn the true quality of the New
Silent Kelvinator. Hundreds of people, who
have stood before this splendid new Kelvin-
ator development in the last few weeks, have
been amazed at the extreme quiet of its electric
mechanism in operation.

Not merely silent but completely automatic is
this new marvel of Kelvinator precision manu-
facturing. No regulating of temperatures—
but dry, safe cold constantly maintained
summer or winter.

Come in today and see the industry's greatest
advance in home refrigeration. Enjoy your
Kelvinator now, buying it on Kelvinator's
attractive ReDisCo monthly budget plan.

BEAUTIFUL DESIGNS: Kelvinators are planned by artists. They are modern—reflecting the new tendencies in design. They are sturdy, strong and graceful. Two-tone finish and some models in brilliant cheerful colors.

The new Silent Kelvinator is first to offer as standard equipment the rubber tray for quick removal of ice cubes. Frozen in this flexible rubber tray, the entire supply of ice cubes can be removed in a few seconds—without trouble, and without shrinkage of ice.
